NOTES FROM SELECTMEN

In reviewing the highlights of the past year of 1966 we have found continued growth throughout our community complex. First we will touch on the external influences. The Department of Public Works has awarded the first contract for work in New London on Interstate Route 89. This is for a section of road starting at the Sutton town line to Bog Road, a distance of 1.8 miles and includes two bridges at King Hill. The cost will be \$1,796,574.71. When this area was first settled, it is believed that about two dozen stout-hearted men built the same length of wagon road in three or four days' time. The parade of progress continues and to each new generation belongs the greatest excitement. In October a hearing was held concerning Route 11, the Crockett Corner interchange, for the alteration and relocation of parts of King Hill Road. The estimated cost for this project is in excess of \$600,000.

Nineteen hundred and sixty-six will also be remembered as the year in which New London joined with the six neighboring towns of Bradford, Newbury, Springfield, Sutton, Warner and Wilmot for the formation of a regional school district.

Supplemental to these changes are the integral parts, the departments and groups which contribute greatly to our community.

The Police Department under Chief George Emmerton is now of necessity becoming a larger force made up of full time regular members as well as special reserve officers. A police cruiser was added this year for more competent and greater coverage of the town and a radio network is now being established.

The New London Fire Department, headed by Kenneth Butler as Chief, undertook night-long coverage of the town

on a volunteer basis throughout the summer months. A fireman took up his vigil each night at the fire station. Our appreciation is given to those men who gave their services so unstintingly for this experiment. We have also this past year had opportunities to see our Civil Defense, Fire and Police Departments become a joint task force in a search effort, and we were most grateful for the successful results.

The town voted at the last town meeting to issue Accident and Life Insurance policies to full time employees. These are now in effect for two members of the Highway Department, two Library employees, as well as two Police Department officers, one office secretary, and one sewer plant employee. The year 1966 also saw the drought of more than three years' duration broken. We received twenty-seven inches of rainfall and fifty-four inches of snow for the year, once again filling Morgan Pond. A section of two thousand feet of wooden stave water pipe between the reservoir and the chlorinator has been replaced with 12" cement pipe. This leaves somewhat less than a mile of wooden pipe yet to be replaced.

The Planning Board has been particularly busy this year selecting a Planner to prepare a Master Plan for the Town. The Hans Klunder Associates of Hanover, N. H., have been chosen by the Board for this work. Also the recently formed Conservation Commission has worked many hours to carry through an experimental plan for the Morgan Pasture. We feel sure that time will prove the worth of this new project.

Thirty new trees and shrubs: sugar maples, red oaks, and bush cranberry have been planted to enhance the beauty and appearance of our town. In addition, the New London Garden Club has matched a three hundred dollar town expenditure to beautify the Bucklin Beach area.

Statistically, new assessments continued in excess of one million dollars over the year past. Seventy-nine building permits were issued. Thirty-one of these were for new dwell-

ings, seven for garages, seven for new signs, and thirty-four for additions, alterations, relocations, decks, and shelters. County government demands have also increased. In 1965 our share was slightly more than \$36,000.00. For the year 1966 the amount rose to over \$40,000.00. It is interesting to note that one hundred years ago New London's contribution was less than \$700.00. So we pause to contemplate what the next century will bring.

Landscape changes have been made at our Sewer plant and the Town Highway Garage. Adjacent to the aeration beds a brook has been built over 200 feet, confining run-off water to its own streambed. Our land fill operation continues at the newly-purchased property adjacent to the Town Highway Garage.

Now we turn to the year ahead, wondering and thinking of the changes that are to come. Where, when and to what extent we do not know. Only that they will occur.

The Board of Selectmen wishes to extend thanks to all officers of the town who over the years have faithfully carried out the many and varied duties of their positions. Our Town Report for 1965 reflects this departmental effort in once again being awarded First Place in Class III Division for Town Reports. We are particularly appreciative at this time of the work of our Road Agent, Henry Stanley, who for more than three decades has carried out his difficult work with a high devotion to duty. The willingness to serve the public is one of the basic requirements of a Democracy, and New London is fortunate to have such citizens who are ever willing to assume this responsibility.

We wait, as did those three hundred years before us, watching the smoke creep closer each day, wondering what changes may be wrought.

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of New London in the County of Merrimack, in said State, qualified to vote in Town affairs:

[L. S.]

You are hereby notified to meet at the New London High School Auditorium in said New London on Tuesday, the fourteenth day of March, 1967, at three o'clock in the afternoon to act upon the following subjects:

Article:

1. To choose all necessary Town Officers for the year ensuing.

Note — By law, the Meeting must open before voting starts. Therefore, the Meeting and Polls will open at 3:00 P.M. for the consideration of Article 1.

At 3:30 the Meeting will recess but the Polls will remain open.

The Meeting will reconvene at 7:30 P.M.

Polls will close at 8:00 P.M.

2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. This sum to include:

Note — The + or — amounts indicate any difference between the proposed and the 1966 appropriations.

	1967	1966	
Town Officers' Salaries	\$6200	\$6200	
Town Officers' Expenses	6500	4800	+1700

Election and Registration Expenses	400	850	— 450
Municipal Court Expenses	850	850	
Town Hall Expenses	6000	3500	+2500
Social Security, Town share	3000	1700	+1300
Town Insurance	6000	5000	+1000
Planning Board Expenses	500	300	+ 200
Zoning Board Expenses	100	100	
Legal Expenses	500	500	
Vital Statistics	175	175	
Town Dump Maintenance	2500	2500	
Street Lighting	5000	5000	
Town Welfare	500	500	
Old Assistance (25% of total)	3500	2500	+1000
Highway Dept. General Expenses	2800	3200	— 400
Memorial Day observance	200	150	+ 50
Historical Committee Fund	300	300	
Parks and Public Properties	600	600	
Interest	1000	1000	

For a Total Appropriation of \$46,625

To see if the Town will vote to raise and appropriate the following sums for the ensuing year for the following purposes:

3. Police Department	\$21,130	\$13,500	+7630
4. Purchase and operation of a police car and equipment	2100	3500	—1400
5. Police Department Radio Network System	2000		+2000
6. Fire Department	5000	3800	+1200
7. Civil Defense	750	450	+ 300

8. Shade Tree Care (includes \$60.80 Blister Rust Control)	1400	1200	+ 200
9. New London Hospital Assoc.	5000	5000	

10. To see if the Town will raise and appropriate the sum of Five Hundred and Fifty Dollars (\$550.00) for the Health Department, to include Health Officer's salary \$200, water testing \$200, expenses \$50, and Rabies Clinic \$100.

11. To see if the Town will vote to raise and appropriate a sum not to exceed Three Thousand Dollars (\$3,000) to be added to the Six Thousand Dollars (\$6,000) appropriated at the 1966 Town Meeting to prepare a Master Plan for the Town of New London. This sum of money (\$3,000) to be matched with Six Thousand Dollars (\$6,000) with Federal Funds for a total amount of Twenty-Seven Thousand Dollars (\$27,000.00).

12. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes if deemed necessary by the Selectmen.

To see if the Town will vote to raise and appropriate the following sums for the ensuing year for the following purposes.

	1967	1966	
13. Highway Dept. road main- tenance	\$38,000	\$35,000	+ \$3000

25. Dartmouth-Lake Sunapee Region Association	200	200	

Polls open from 3:00 P.M. to 8:00 P.M.

Given under our hands and seal this 18th day of February in the year of our Lord nineteen hundred and sixty-seven.

JAMES E. BEWLEY
GERALD C. PRESCOTT
LAURENCE R. SPAULDING

Selectmen of New London, N. H.

A true copy of Warrant — Attest:

JAMES E. BEWLEY
GERALD C. PRESCOTT
LAURENCE R. SPAULDING

Selectmen of New London, N. H.

REPORT OF THE BUDGET COMMITTEE

To the Voters of the Town of New London:

In accordance with the Municipal Budget Act of the State of New Hampshire, the New London Budget Committee (comprised of nine members) has prepared the town budget for the calendar year 1967. The budget is respectfully submitted in the town report.

The Committee called one public meeting on Tuesday, January 31, 1967, at 8 p.m. in the Cafeteria of the New London Central School. Members of the Budget Committee spend long hours in debate at the closed sessions attempting to prepare the town budget in the best interest of the people. It is my hope to see more people of the town attend future budget meetings in order to convey to the committee their feelings on the Town Budget.

My sincere thanks to the Committee members, officers and representatives of the Town for their assistance and co-operation.

ANTHONY R. GALLUZZO,

Chairman.

Feb. 6, 1967

------------------------------------	----------

Balance due Kearsarge Regional School District for fiscal year ending June 30, 1967	\$3,795.92
--	------------

REPORT OF THE TRUST FUNDS OF THE TOWN OF NEW LONDON, N. H.

The year 1966 marked the loss to the Trustees of Trust Funds and to our Town of a good and faithful public servant. For many years Herbert D. Swift had spent long hours in the care and accounting of our Funds.

Due in part to higher interest rates all funds show an increase in income for the year.

The School District Fund, which had been temporarily entrusted to the Trustees was, in 1965, returned to the School Board at their request. That Fund will, therefore, no longer appear in this report.

The Trustees have recently received from the Attorney General's office an interpretation of the State's Laws pertaining to town trust funds, which makes it mandatory that the Trustees sell at least two of what we consider our better securities, i.e., Texaco and International Harvester, as they have been removed from the List of Legal Investments for New Hampshire, which limits the investments which may legally be purchased and held by trustees of town trust funds.

TRUST FUNDS FOR CARE OF CEMETERY LOTS

Date of Creation	Name of Trust Fund	Balance of Principal at End Year	Balance of Income Begin- ning Yr.	Income During Year	Expended During Year	Balance Income End Yr.

AUDITOR'S REPORT

To the Citizens of the Town of New London, N. H.:

I have examined the financial statements of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Road Agent, Cemetery Commission, Sewer Commission, Library Treasurer, and Trustees of Trust Funds. I have compared their accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and believe these reports to be a true record of the town business for the year ending December 31, 1966.

LAURENCE F. PETERSEN,

Town Auditor.

February 28, 1967

TRACY MEMORIAL LIBRARY

ANNUAL REPORT

A busy and interesting year, with ever-widening calls for book services, has marked the year 1966 at your library. Circulation figures are as follows:

Adult fiction	4,505
Adult non-fiction	2,338
Juvenile fiction	9,037
Juvenile non-fiction	2,137
Adult magazines	578
Juvenile magazines	60
	<hr/>
	18,655

We have welcomed 10,373 visitors to the library this year.

We have added 109 adults and 45 juveniles to our borrower's lists during the past year.

We have borrowed for special needs: from Fernald Library, 4 books; from the State Library, 71 books, and from the Extension division, 987 books.

The library staff has answered 533 requests for special material, for books, pamphlets and maps.

During the year we have loaned to New London Central School, 5,079 books; to Wilmot, 66; to Springfield Memorial, 46; to Williams Kindergarten, 30; to Sunapee, 14, and to the State library, 2.

The books purchased this year were: adult, 186; for juvenile, 217, and we have received 40 gift books from generous patrons. On the table in the reading room are 44 adult magazines, and five newspapers, two dailies and three weekly periodicals. There are two magazines for circulation in the children's room, also.

Each Monday morning, during the school year the librarians go to the New London Central School with about 200 books. They visit the first six grades, and the children may borrow one book to keep for a week. Now, the pupils look forward eagerly to the librarians' visits.

During the spring months Mrs. Ray and Mrs. Champion attended a course in cataloguing, sponsored by the State library, and held each Thursday, in Laconia, for ten weeks.

The auditorium is gradually being used more extensively for committees and for larger meetings. This year there have been 56, including the Woman's Club, Red Cross, Grange committees, Board of Trustees, New London Historical Society, Young Republican Club, and Town History Committee.

The New London Service Organization has added two more books to the military shelves: "The Last Hundred Days" by Toland, and "The Last Battle" by Ryan. The staff feels deeply the death of Mr. Herbert D. Swift, who was the instigator and prime mover in this project.

The Garden Club has planted more shrubbery on the northwest corner of the building, and a climbing vine at the chimney base, all of which greatly improves that section of the grounds.

The Story Hour continues to be an interesting spot on Saturday afternoons, with 430 children attending this past year.

National Library Week was marked April 18-23 by an exhibition of materials, arranged by Mr. Clayton Fisher, portraying the career of Robert Hutchings Goddard, pioneer rocket expert, whose work laid the foundations for modern developments in rocketry. We are indebted to the Goddard Memorial Library at Clark University, Worcester, Mass., for the loan of much of the exhibit material. The observance began with Open House on Monday at which a movie describing Dr. Goddard's career was shown. The committee served refreshments to all attending.

During the week of May 23-28, an exhibit of crewel embroidery was on display in the auditorium. Mrs. Philip Parker and Mrs. Edward Todd set up the exhibit of many beautiful articles made by the women of New London.

Mrs. Dorothy Stott presented her pupils in a piano recital on Saturday afternoon on June fourth. Over seventy-five parents and friends attended this entertainment.

Summer hours began July 1st through Labor Day, with the Library closed on Saturday afternoons. Answering many requests for open hours during the morning, the Board and Staff chose Thursday from 9-12 a.m.

Mrs. Dorothy Dey Howard held her nineteenth exhibition of oil paintings, July 11-23, daily. All friends were cordially invited to visit and many availed themselves of the opportunity to again see her beautiful work.

An enrollment of 76 children opened the Vacation Reading Club, with Mrs. Loring Grimes directing the reading program. Practice in selecting their own books from the shelves was taught to the younger members of the club during the summer. The annual party was held at the library on August 26th, and certificates and awards were presented to members completing the project. Photographs of the group and the prize winners were taken by Ralph Marshall. The children were entertained and refreshments were served by the librarians and Mrs. Grimes. Winners for Class I, Jane Hurd and Scott Thurston; for Class II, Lorraine Homan and Brian Kiernan; for Class III, Kim Lambert and Carol Welch. Prizes for the most books read were awarded to Dale Prew and Audrey Dexter.

"Old Pictures, Schools and Cemeteries" was the title of an exhibit sponsored by the New London Historical Society, and opened to the public Aug. 9-Sept. 2. Pictures showing scenes of earlier days in New London were enjoyed by many.

From Oct. 31 to Nov. 5, National Book Week was observed with a display of new adult and juvenile books in the auditorium. The librarian held classes in library orientation for the visiting fifth and sixth grades from New London Central School, Wilmot School, and Springfield Memorial School. Movies were shown to all the grades and many children bought discarded books from the book sale. The staff was very pleased with the attendance of more than four hundred persons this year.

Several new improvements in the library building have been made during the recent months which add greatly to the comfort of the staff, and promote better service to our patrons. New lighting has been installed in the lower stack room, the new teen-age room, and over the librarian's circulation area. The ceilings on the first and second floors have been given a coat of fresh white paint, and the upper half of the auditorium walls have been painted a warm beige color.

Our special project for 1966 has been the renovation of the upstairs "club room" into a study room for students. New bookshelves, on which are arranged the fiction and non-fiction books for teen-agers, have been installed by the Board and Staff. The purchase of library tables and chairs has contributed greatly to the use of this room by students seeking a quiet place to study. Special reference books (a new dictionary and encyclopedia, etc.) have been placed on the shelves for use in their study and in preparing themes for school.

As the old year ends, your library board and staff prepare for another year of service to all our friends and patrons.

HELEN S. RAY,
Librarian.

Treasurer.

MUNICIPAL COURT

During 1966 the New London Municipal Court handled 98 cases, 94 of these being in the area of criminal offenses and misdemeanors, the balance being small claims cases. Total receipts of the Court were \$1,391.00; remitted to the State of New Hampshire was a total of \$224.00. Expenses for the Court in 1966 totaled \$161.05; the balance remitted to the Town was \$1,005.95.

The expenses of the Court in 1966 were somewhat higher than usual under new State laws and regulations of the Judicial Council. It was necessary to purchase a complete new set of Court forms and several supplementary volumes of Revised Statutes Annotated. This last group of books brings the material up through the legislative session of 1965. It is expected that in 1967 there will not be the need of such extensive expenditure of this type.

The Municipal Court during the past year has seen a change in the Police Department. The long time Chief of Police, Tyler D. Grace, died in the spring and his successor, George M. Emmerton, did not assume office until early in the summer. Chief Grace had served faithfully for many years and will long be remembered. Chief Emmerton has already proven himself as a careful and efficient officer and the Court is pleased to observe his methods of operation.

In the light of many recent decisions of the U. S. Supreme Court it is extremely important that every precaution be observed in the handling of cases so that the individual's rights are not put into jeopardy. The Court now follows the practice of reading at each session a carefully prepared statement indicating the rights of all concerned.

It may be of interest to the citizens of New London to know that their Municipal Court Judge has recently been elected to the Executive Committee of the New Hampshire Association of District and Municipal Court Judges.

J. DUANE SQUIRES,

Municipal Judge.

1 February 1967

REPORT OF THE FIRE DEPARTMENT

NEW LONDON FIRE COMPANY

Captain	Carlton Barton
1st Lieut.	John Kiernan
2nd Lieut.	Robert Martin
3rd Lieut.	Richard Mann (Resigned)
Laurids Lauridsen	appointed by Captain
for remainder of term	
Clerk	Richard Brady

The Company responded to the following alarms:

- 13 House Fires (including chimney fires)
- 2 Tree and Stump Fires
- 2 Vehicle Fires
- 2 Brush Fires
- 1 False Alarm

In reviewing the activities of the department over the past year we report that members of the New London Fire Company attended the New Hampshire State Fire School in Guilford, N. H., and also the Firemen's State Convention in Littleton.

For the first time the Fire Station was manned all night from July to Labor Day. Those who participated in this project did so on a voluntary basis.

A 300 g.p.m. portable pump was added to our equipment as well as a Hi Expansion foam gear. A most beneficial street light was installed on the Fire Station.

During the Fire Prevention Week in October, the children of the first 6 grades visited the station. They were given the opportunity to look over the trucks and equipment, ask questions, and receive a few pointers on fire prevention.

On November 14th, in cooperation with the New London Water Department, a fire truck pumper was used to supply the town with water while a two thousand foot section of main between the reservoir and town was cut over to the system. This gave the Department a chance to measure the performance of the pumper, which we found to be excellent.

At this writing, a five week Basic Pump Course is being taught by Chief Paul Lovejoy of Claremont to Department members. This training is made available at no cost to the town or department through the State of New Hampshire Department of Education, Fire Training Service.

I would like to add a personal note of thanks to the officers and men for their fine support throughout this past year. I look forward to the coming year with renewed enthusiasm.

Respectfully submitted,

KENNETH A. BUTLER,

Fire Chief.

POLICE DEPARTMENT

The purpose of any Police Department is to give to the community complete and efficient protection as it concerns the individual and his property. Throughout the year the Department attempts to achieve such goals. Recent Supreme Court decisions now require a deeper understanding by all police officers and departments as to the complex problems of law enforcement. The personnel of your Police Department are attending schools and seminars as they become available. Our regular officer was enrolled in the New Hampshire State Police Training School this past year. Covered in this training were such subjects as patrol, criminal and accident investigations, as well as motor vehicle laws. Day seminars have been attended at St. Anselm's College, specifically on court room procedure and narcotics.

The Police Department of New London has frequently held sessions for its own officers. Included as guests were officers from neighboring towns. Covered in these sessions were: (1) Methods of stopping vehicles; (2) the transportation of law violators; (3) Civil complaints; (4) Criminal complaints; (5) Procedure as it pertains to minors in reference to (a) drinking, (b) court.

Radio communications are now maintained with the New Hampshire State Police, the departments of Claremont, Newport, Laconia, Belmont and Gilford.

Radios have been installed in one fire truck and the Chadwick ambulance. This permits greater service potential and provides a more secure network. We are now equipped to handle police calls on a twenty-four hour basis by calling 526-4161. It is the department's hope to have a man on the job at all times during any twenty-four hour period. This will provide prompt response to routine urgencies. The Police Cruiser is equipped with such emergency items as a blanket, wrecking bar, flares, first aid kit, rope, and life preserver. It has a public address system in combination with a siren

and radio speaker, enabling calls to be received remotely by the officer.

Statistically the department has processed 122 complaints and assisted other departments 14 times. Covered have been 15 accidents, 279 stopped motor vehicles and 7 missing person calls. The department has given traffic control on 14 occasions for such events as weddings, funerals and parades.

We maintain a constant property check for summer residents and are attempting to eliminate such traffic hazards as are noted. In attempting to give efficient protection to our community we are mindful and appreciative of such departments as the Office of Selectmen, Civil Defense, Fire Department and the many residents of New London.

Respectfully submitted,

GEORGE M. EMMERTON,

Chief of Police.

NEW LONDON CIVIL DEFENSE

1966 CIVIL DEFENSE REPORT

To the Residents of New London:

Throughout the year, New London Civil Defense has been called to render many Public Services. Upon the request of our newly appointed Chief of Police, Mr. George Emmerton, we installed temporary radio communications in his cruiser and in the office of the Selectmen for day time communications. We then installed a radio in the New London fire house for night time communications.

Throughout the summer our volunteer firemen maintained a fire watch and carried out night time communica-

tions with the police cruiser. As a resident, as a member of our police department, and as the director of Civil Defense, I wish to thank the members of the New London fire department for their cooperation between our departments and for the fine job they did for our departments.

New London Civil Defense furnished radio communications for the New London horse show and upon two occasions furnished radios for sporting events. On New London Hospital day our radios were used as a means of communication for traffic control.

On November 9th, New London Civil Defense, Police, and Fire departments, as well as many volunteers, took part in the New London Hospital Emergency Plan. Such planning and cooperation is necessary in our rapidly growing community.

As in the past years, your civil defense director was available each Tuesday night and our headquarters, located in the basement of the Town Hall, was open for your inspection. We carried out our Tuesday night drills with New Hampshire Civil Defense. We now carry out another function in our civil defense organization. New Hampshire civil defense has placed a new radio in our headquarters to carry out county communications. At present, we have only one station on this frequency, with the promise of more stations to come.

Upon reviewing this report, I find that I owe many thanks to all the volunteers who took part in the year's activities, and especially to a small group of persons who make our organization a functional group. My very personal thanks to:

Percy M. Thurston
Ralph Marshall
George Roberts
Edwin Edmunds Jr.

George Jones Sr.
Phillip Dow
Oscar Clark
Robert Barrett

And to the members of the New London Police and Fire Departments.

Respectfully submitted,

WATSON B. JOHNSTON,

Director.

REPORT OF THE TOWN HEALTH OFFICER

This report covers only the first six months of 1966 including the water pollution control program which was continued under my direction during the summer of 1966. Specific investigations have also been conducted where reports of suspected pollution have been made. In summary, the water sampling program indicates that New London's lakes and streams continue to be of Class A standard, less than 50 coliform organisms per 100 milliliters) with only isolated problem areas. Red Brook has been investigated a number of times during the year and shows high counts originating in the Seamans Road area. Due to the sporadic nature of the problem, the specific source of this probable pollution has not been discovered but tests will be continued.

The success of the 1966 Rabies Control Program should be noted and the cooperation of Dr. Rodgers and the approximately 200 dog owners who took part in the program is to be lauded. I highly recommend continuation of the program in 1967.

This report is being written in Malaysia with the January temperatures around 85 degrees in the shade. Among other things in our year away, we have become ever more appreciative of New London, as a town, as people, and as beautiful, reasonably unspoiled country. Water pollution and other public health problems in New London are negligible

by comparison with some we've seen but observing some of the miserable conditions in other parts of the world, to me, emphasizes the need for New London to continue to work for the preservation of its land and water and the health of its people. In this regard, I hope that the Town's voters continue to have a far sighted, socially responsible attitude concerning these aspects of New London's development and I continue to recommend Town planning for the future with particular emphasis on adequate sewage disposal and water pollution control programs.

I wish to express my thanks to Dr. Donald Clark and the Selectmen who have been carrying on the health officer's duties in my absence.

Respectfully submitted,

DONALD F. BENT, PH.D.

Health Officer.

REPORT OF THE CONSERVATION COMMISSION

New London is a rapidly growing town and it is anticipated that this growth will continue. One of the undesirable effects which can result from a town's growth is the loss of land areas which can be used for recreational purposes by the citizens. The New London Conservation Commission has, for the past year, been working very closely with Mr. Richard H. Webb of Mt. Sunapee, New Hampshire, to conserve for the residents of New London such a recreational area. Mr. Webb owns the Morgan Pasture area in New London which is designated on the accompanying map. Mr. William Roos of the Conservation Commission, Mr. Webb, the New London Selectmen and many others have attempted to arrive at an agreement, concerning the use of this land, which would be satisfactory to all.

It is expected that negotiations will soon be completed. These will make the Morgan Pasture available to the people of New London as a vast recreational area. Mr. Webb is an avid conservationist who is extremely interested in seeing that land areas are put to maximum use. The Morgan Pasture would continue under the extensive forest management pro-

gram which Mr. Webb initiated but it could simultaneously be used for hiking, hunting and myriad other pleasures.

Future plans of the Conservation Commission include the possible procurement of a wet area which could be used

for ecological observations. There is also considerable interest in preserving land which lies adjacent to brooks. Such areas provide the opportunity to construct hiking trails which would be readily accessible to people in New London.

It is not the intent of the Conservation Commission to remove land from the tax rolls but to insure that there will be areas in the town, most of which are not suitable for development, which will be available to the citizens for recreational and esthetic purposes.

JESSE A. WELCH,
Chairman.

REPORT OF THE PLANNING BOARD

During the year 1966 the Planning Board, with full membership, went to work to bring the New London Master Plan into fruition. After long consideration, the firm of Hans Klunder Associates of Hanover, N. H., town planning consultants, was chosen to finalize the Master Plan for New London.

We have had an initial meeting with the Regional School Committee. Their educational consultants and our town planning consultants were in close agreement as to the Regional School Plans.

During the past year our board members attended a number of state level meetings in Durham and Concord, N. H.

In early Fall our Chairman, William T. Andrews, resigned and Henry J. Homan, Jr., was appointed in his place.

With the help of my fellow committee members we look forward to 1967 being a year of Progressive Planning for the town of New London.

HENRY J. HOMAN, JR.
Chairman Town Planning Board.

ZONING BOARD OF ADJUSTMENT

During 1966 the Zoning Board of Adjustment held 12 open hearings on the following appeals:

1. Stanley E. Wenmark asked for a variance to Article IX, Section C of the Zoning Ordinance. He wanted to convert the former Mark Shepard house on Seamans Road from a two family to a four family dwelling. A hearing was held on June 21, 1966, and permission was granted.

On May 24, 1966, four cases came before the board.

2. Edwin Edmunds asked permission to alter his existing, non-conforming garages for buses. His appeal was granted.

3. The First Baptist Church requested a variance to Article IV, Sect. B. They wished to extend the Parish House on Seamans Road on the same line. This building is closer to the lot line than the required footage. The request was granted.

4. A variance was sought, under Article IV, Sect. 3, by the New London doctors, to build a medical office building in which more than two people would be employed. The request was granted.

5. An exception to Article IX, Section C, was asked for by Arthur Prescott. He proposed to build motel units at the Gray House at Crockett's Corner. The appeal was denied.

Mr. Prescott wanted permission to separate his dairy building on King Hill Road from the rest of his property. The lot line was to be 20' rather than 25' from the side of the building. The request was granted.

12. The Zoning Board met on December 20, 1966, to consider the appeal of Russell Dimmick for a variance to Article V, Section F. Mr. Dimmick wanted to place a portable

garage, during the winter months, closer to his lot line than the required footage. The appeal was granted.

Respectfully submitted,

PRISCILLA W. OHLER,

Secretary.

Cemetery Commissioners

INFORMATION BOOTH

The Information Booth was open from July 1 to Labor Day. The hours were the same as in previous years, from nine to five, six days a week. Our visitors were from 26 states, the District of Columbia, and two Canadian Provinces. In spite of the language barrier we were usually able to communicate after a fashion and it is much easier to understand why French speaking people use their hands so freely when speaking.

This year larger numbers of truck type camping trailers were on the road, and we classified them with the passenger cars to distinguish them from the regular house-trailers, which numbered three. We listed 1,607 cars with 3,763 passengers. There were also 376 pedestrians, 9 bicycles, 1 motorcycle and a motor-scooter. We also listed 96 phone

queries and made 321 phone calls for a variety of reasons. Of course this year it was sometimes hard to find accommodations for people as fewer were available here in town, but the staff at the Sunapee Booth proved most helpful and we are very grateful to them. We had about twenty per cent more visitors than in the previous year.

It is difficult to write a report that differs much from those of previous years. We are there to serve the public, which we do to the best of our ability. This consists of answering questions about many things, suggesting amusements, almost anything one could imagine is liable to be brought up. The booklet prepared by the Historical Committee was in great demand and many people asked for copies to send to their friends so they would know a little about the town too. Some of the requests have been for help in finding baby-sitters, household help, typists, in fact almost any line of activity. We do our best but of course we frequently fall far short of perfection. We do recall many instances of real gratitude expressed by strangers to our community who deeply appreciated the small services we had been able to render. The Booth is a logical place to report lost articles and to leave articles which have been found. It is also a convenient place in the center of town for people to meet, to leave packages while doing other errands or just to sit down and rest for awhile. Nearly everyone comments on the beauty and hospitality of the town and many have expressed a desire to spend their last days here.

Respectfully submitted,

EVELYN D. MESSER
DOROTHY BARTON

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Fire Record

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966).

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.
2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us: (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground

is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.
3. Don't leave a live camp or cooking fire.
4. Most important—instruct your children that matches are not play things.

Truly — Only You Can Prevent Forest Fires

GERALD S. GROSS, District Chief

CARLTON F. BARTON, Warden.

NEW LONDON HOSPITAL ASSOCIATION INC.

ANNUAL REPORT

September 30, 1966, completed the 48th year of the New London Hospital and the eight year in its present location.

The Administrator, Mrs. Sargent, reported that 10,492 in-patients and out-patients received care in the year 1966. Departments showing the greatest increase were the laboratory, physical therapy and the emergency room.

Dr. Robert Shoemaker of Claremont has joined the Medical Staff as a Consultant in Orthopedic Surgery.

Mr. Allan Evans completed a land-use map of the hospital land which will be very helpful in future plans.

Our annual Hospital Day netted \$15,491.92 with a smaller fair held at the old location on Main Street. We are very

grateful to Chairman James D. Brown for his untiring efforts and for his suggestions for another year. Most people were happy to have the small fair back and next year we plan to have more activities for the children.

Long-time director and former president Eliot Foot resigned in September and he was designated a Director Emeritus. George Wells of Sutton was appointed an interim director.

The Hospital Board sold land on County Road to the doctors for their new building which will be know as the New London Medical Center, Inc.

The New London Hospital Association, Inc., has a membership of many people, anyone who contributes one dollar or more during the year is a member of the Association. The Association is governed by a Board of Directors which meets monthly with Rachel Sargent, Administrator, at the Hospital. The following served on the Board in 1966.

OFFICERS

President — Edwin H. Keith (Sutton)
Vice President — Carlton F. Barton (New London)
Treasurer — John L. Ballin (New London)
Secretary — Beverly R. Little (New London)

DIRECTORS (Terms expire as shown)

JANUARY, 1967

Curtis Caldwell (Sunapee)
Leona Righter (Wilmot)
Walter Heald (New London)
Richard Crockford, (New London)

JANUARY, 1968

Eliot Foot (Sutton)
Amos Johnson (Andover)

J. Duane Squires (New London)
H. B. Harris, Jr. (New London)

JANUARY, 1969

Jack Jensen (New London)
Henry Kidder, II (New London)
Walter Roberts (Newbury)
Carl P. Swinnerton (Bradford)

REPRESENTATIVES ELECTED BY THE GROUP NAMED

Katherine Lyons (Sunapee)
Appointed by Summer Residents Assoc.

Elizabeth Ballin (New London)
Hospital Aid Association President

Donald W. Clark, M.D.
Medical Staff Liaison

The following nine towns voted appropriations to the Hospital at their town meetings: Andover, Bradford, Goshen, New London, Newbury, Springfield, Sunapee, Sutton and Wilmot. The appropriations are much needed and appreciated by the Hospital.

ACTIVE STAFF MEMBERS

Lynn S. Beals, M.D.	Francis H. Nolin, M.D.
James B. Brown, D.M.D.	John H. Ohler, M.D.
Donald W. Clark, M.D.	William T. Pike, D.M.D.
William P. Clough, Jr., M.D.	Anne A. Wasson, M.D.
Warren L. Franz, M.D.	Arthur F. Wright, M.D.
Robert Morrow, M.D.	

CONSULTING STAFF MEMBERS

Mather Cleveland, M.D.
Donald R. Hayes, M.D.
Robert Shoemaker, M.D.

The Hospital Aid Association, the Summer Residents Association, Colby Junior College and the Third Year class at Colby Junior College continued their active support of the Hospital and this support is most welcome and appreciated. The Board is grateful to all individuals and organizations who contribute to the successful operation of the hospital.

Respectfully submitted,

BEVERLY R. LITTLE,
Secretary.

HOSPITAL AID ASSOCIATION

ANNUAL REPORT 1965-66

President — Mrs. John Ballin

Vice-President — Mrs. Francis Kennedy

Secretary — Mrs. Russell Dimmick

Treasurer — Mrs. Reno Drack

Historian — Mrs. Elmer Robinson

The New London Hospital Aid Association had a very active year with its various projects, the publishing of a semi-annual Newsletter and much activity in the Arts and Crafts department. Aprons, Knitting, Mending and Cancer Dressings played their part in making the year a prosperous one. The Association held nine meetings with an average attendance of 45 from October 6th, 1965, to June 1st, 1966. Funds were raised by the Membership Drive, renting of pillows at the New London Barn Playhouse, Rummage Sale, and the Projects Committee. Small groups outside the town of New London helped the Association. Mrs. Henry Kidder, III, has been in charge of the volunteer workers at the hos-

pital who give their time in the morning and evenings seven days a week.

Respectfully submitted,

MARGARET DIMMICK,
Secretary.

Respectfully submitted,

GRACE A. DRACK,
Treasurer.

NEW LONDON OUTING CLUB

This year marks the 20th anniversary of the New London Outing Club. Service to the community remains its chief goal.

Preliminary maps of the extensive trail system planned for the area were distributed this past summer. A committee is now actively engaged in clearing, spotting and mapping more trails.

Thanks to the New London Hospital, we hope to start developing a community athletic field this summer. The Hospital has donated the use of a large field that runs parallel to Rte. 11 to be used for Little League baseball, Pop Warner football, Pony Club and many other activities requiring a large open field. The land is quite level and dry, but some filling and turf building will be required.

The following resume of activities for 1966 may help you to understand why your support is so urgently needed.

The Outing Club organized and offered without fee:

Swimming Lessons for Children — in conjunction with the American Red Cross. 158 children participated.

Playground Activities — three days a week for four weeks in the Summer.

Little League baseball

Basketball

Football

Square Dance Lessons — adults and children

Ballroom Dancing and Cotillion

The Outing Club organized and offered for a nominal fee:

Tennis Clinic — for children

Tennis Tournament — adults and children

John Jay Ski Movie

Christmas Ball

Financial support was given to:

King Ridge Ski Club

Pony Club

4-H Club

New London High School Athletic Banquet

New London Information Booth

Two lifeguards to attend Red Cross Aquatic School

Community Projects:

Clearing, mapping and developing an extensive network of trails for hiking, riding, snowshoeing, etc., in vicinity of New London

Annual Ski Sale

Bulletin Board at the New London Post Office

Future Plans:

Adult Tennis Lessons
Movies for Family Entertainment
Athletic Field

SUGGESTED CONTRIBUTIONS

Sponsoring Membership	\$25.00
Family Membership	10.00
Supporting Membership	5.00
Single Membership	3.00

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of
New London, qualified to vote in District affairs:

You are hereby notified to meet at the Central School
in said District on the 13th day of March, 1967, at 8 o'clock
p.m. to act upon the following subjects:

1. To choose a Moderator to serve until July 1, 1967.
2. To choose a Clerk to serve until July 1, 1967.
3. To choose two Members of the School Board to
serve until July 1, 1967.
4. To choose one or more Auditors.
5. To see if the District will vote to authorize the
Treasurer to remain in office until such time as the school
accounts for the school year 1966-67 have been audited.
6. To hear reports of Agents, Auditors, Committees
or Officers chosen and pass any vote relating thereto.
7. To see if the District will vote to direct the Treasurer
to pay over to the Treasurer of the Kearsarge Regional
School District any cash balance or money due the District
as of July 1, 1967, or thereafter, less any outstanding bills
or debts; any sum so transferred to be used as a credit
against the Regional School District assessment to be raised
by the pre-existing New London School District to defray

its share of the cost of operation of the Regional District during the first year of operation.

8. To transact any other business that may legally come before said meeting.

Given under our hands at said New London this thirteenth day of February, 1967.

CLARENCE GAY
JUNE E. SPAULDING
New London School Board.

A True Copy — Attest:

CLARENCE GAY
JUNE E. SPAULDING
New London School Board.

Supplies	211.73
Officials	700.30
Other	479.97

Total Expenditures	\$2,055.99
--------------------	------------

CASH BALANCE — June 30, 1966	\$ 779.20
------------------------------	-----------

I certify that the above information is true and correct; that the cash balance has been determined by actual count and/or verification of the check book balance; and that invoices and other pertinent records as required are on file to substantiate the School Athletic Account transactions.

R. J. LIVINGSTON,
Principal.

June 22, 1966.

REPORT OF SCHOOL NURSE

January, 1966 — January, 1967

- 218 Home visits, notes, and phone
- 120 Physical Examinations by Dr. Clark
 - 18 Physical defects noted, recorded and reported to parents
- 553 Weighed, measured, inspected — teeth, head, skin
- 553 Vision and hearing tests
 - 7 Hearing defects
 - 76 Vision defects recorded and reported to parents
- 82 Excluded for communicable diseases and other illnesses
- 86 Referrals to family physicians, dentists and eye doctors
- 55 Transported to homes, hospitals and doctor's offices
- 367 Conferences — students, teachers and parents
- 222 First Aid
 - Instructed class in Medical Self Help
 - Talk on venereal disease to senior class
- 19 Pre school examinations
- 95 Tuberculosis testing and reading with Tuberculosis Nurse
- Attended School Nurse conference in Concord, March, 1966,
and in Manchester, October, 1966.

MRS. IRENE TRAYNOR, R.N.
School Nurse.

Payable at	First National Bank of Newport	First National Bank of Boston	Peoples National Bank Claremont
Amount Outstanding	\$29,000.00	\$368,000.00	\$26,500.00

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of New London:

ENROLLMENT

Our student population has reached 570 — broken down as follows:

Grades 1 - 6		187 Elementary Students
Grades 7 - 8	106	
Grades 9-12	277	383 Secondary Students

This represents an increase of 33 students within the school plant. Two steps were taken to improve the pupil-teacher ratio in the elementary grades:

1. An additional teacher was employed and a second and third grade combination was set-up in the former church property.
2. A large enrollment in Grade 6 (38 students) led to a semi-departmental organization in Grades 5 and 6 with an additional part-time teacher employed. This not only reduced class size, but also provided a better teaching situation for the middle grades students prior to entering the junior high grades where the classes are fully departmentalized.

TITLE I PROJECT

A Reading Improvement Project for selected students at the junior-senior high level has been continued this year. This project is financed with funds from Title I of the Elementary and Secondary Education Act. Small groups of students with particular reading difficulties are provided special materials and instruction. This approach appears to be providing desirable results which should bring about better overall academic achievement.

CHURCH PROPERTY

Pursuant to the vote of the 1966 Annual Meeting, the land and buildings owned by the Catholic Church were purchased by the District as of December 1, 1966, for a price of \$26,500. We are appreciative of the courtesies and co-operation of Reverend Maurice Blais, who permitted us to operate an elementary classroom on the second floor of this building from the opening of school in September.

The payment for this property will become the responsibility of the Kearsarge Regional District.

NEW LONDON-KEARSARGE REGIONAL SCHOOL DISTRICT

As of June 30, 1967, the New London School District will be dissolved and become a part of the Kearsarge Regional School District.

Necessary action at the meeting on March 13, 1967, will cover the continued operation of the New London School District from that date through June 30, 1967.

The nine-member Board of the Kearsarge District has been meeting regularly since last August. Their report is included here.

CONCLUSION

As the New London School District prepares to become a part of the Kearsarge District, it is difficult to put into appropriate words a proper expression of my twenty years of tenure with the New London Schools. As in most twenty year periods, there have been substantial increases in student enrollment and staff, many changes in curricula offerings and services, and substantial additions to the plant — the Elementary building was occupied in 1954 and the High School Addition in 1962. My association with School Board members, the faculty, students, and citizens has been most pleasant and rewarding.

Let us all move forward together and lend the same support, interest, and cooperation to the Kearsarge Regional School District that has characterized the activities of the New London School District, thereby insuring a continued high quality of public education in this area.

Respectfully submitted,

GORDON B. FLINT,
Superintendent of Schools.

REPORT OF THE PRINCIPAL TO SUPERINTENDENT GORDON B. FLINT

Dear Mr. Flint:

This past year New London, along with six other towns, took another step forward to meet the educational needs of its young people by voting to form the Kearsarge Regional School District. The changes and improvements in the educational programs in the future, which will result from this decision, will take several years to bring to fruition.

In the interim period before the new regional school is in operation every effort possible must be taken to improve the educational program of the present school. When the visiting committee of the Commission on Public Secondary Schools of the New England Association of Colleges and Secondary Schools visited New London High School in October, 1966, relative to continued accreditation by the Association, the members of the committee emphasized this point constantly. The point was emphasized again by the Commission when it voted in November, 1966, to continue the membership and accreditation of New London High School until the new regional high school becomes operational. The commission concluded its written report with this recommendation:

"It is our recommendation that New London High School be continued for membership until such time as the regional high school becomes operational, providing that this takes place by September, 1969. We particularly recommend that steps be taken to assure that there is no relaxation of effort to improve the quality of New London High School during the planning and construction period of the new school."

In order to meet the minimum needs of the elementary school and the high school next year it will be necessary to continue the same organizational plan in the elementary school with a few minor changes and to have several additional teachers in the high school. The first floor of the Annex (Catholic Church Building) will have to be renovated to gain two more provisional classrooms.

Respectfully submitted,

ROBERT J. LIVINGSTON,
Principal.

REPORT OF KEARSARGE REGIONAL SCHOOL BOARD

On May 2, 1966, the citizens of Bradford, Newbury, New London, Springfield, Sutton, Warner and Wilmot voted final approval of the formation of the Kearsarge Regional School District. The first official meeting of the new school district was held on July 19, 1966. The voters of the district raised and appropriated the sum of \$24,900. for the operation of the district until July 1, 1967. Among other things the voters authorized the school board to "make a survey of building needs, to take options if necessary, to engage the services of an architect, an attorney, and to employ such other consultant services as may be deemed necessary, to make topographical surveys and to take such borings as may be required, and to

do all other things necessary to enable the board to make a report and recommendations to the district."

The Kearsarge Regional School Board does not assume operating responsibility until July 1, 1967, at which time the presently-existing school districts in the seven towns will cease to function. Since its election in July the Regional School Board has been preparing for this responsibility, and making plans for the new school buildings which will be needed by the district. Elected Chairman was William Neumann of New London, with James Hansen of Bradford as Vice Chairman. Mr. Neumann's resignation was accepted with sincere regret early in February when he accepted a position out-of-state. Dr. Anne Wasson of New London was appointed to succeed him on the Board. James Hansen became Chairman and Donald Mitchell of Sutton was named Vice Chairman. Selected as Clerk was Mrs. Annette Stevens of Wilmot, who was succeeded in January by Mrs. Janice T. O'Rourke of Warner. Mrs. Evelyn Kiernan of New London is Treasurer of the district.

Several important sub-committees of the board have been named, and have been hard at work. These sub-committees include those on Salary Schedules, Policy, and Architect Selection.

One early and significant decision of the board was to engage the services, at a cost of $\frac{1}{2}$ of 1% of the bond issue, of the Educational Consultant firm of Engelhardt, Engelhardt & Leggett of New York, one of the leading such firms in the country. Serving as this firm's consultant to the board is Dr. Edward Macbeth, who has spent many days in the district studying its problems and its plans for the future.

The Engelhardt firm has been engaged primarily in order to provide expert counsel to the board concerning building problems. Studying the original building proposals of the Kearsarge Regional School Planning Board, the firm has conceded their practicability, but has recommended an alternative approach. The board, after very careful consideration,

has unanimously accepted the new proposal. The board will recommend that the district accept this plan, which calls for the construction of an entirely new high school building (9-12) on a new site as yet unselected, and the use of the present New London Central School for New London's first five grades and as a Middle School (6-8)for the entire district. The board believes this plan allows more flexibility for the future, and that it is a more sound approach educationally. Elementary building proposals are still under study.

On the date of operating responsibility the district will come under the jurisdiction of Supervisory Union #43, with offices in Newport. The Superintendent of Schools is Gordon B. Flint, who is aided by Assistant Superintendent James Leh (who began work in December), and Teacher Consultant Alphonse Soucy. It should be emphasized that Mr. Flint has been working closely with the board since July, and that until next July Mr. Leh is working exclusively for the Regional School District.

In March or early April the Kearsarge Regional School Board will be holding one or more meetings of the district. At these meetings approval will be sought for (1) the operating budget for 1967-68, (2) changes in the Articles of Agreement to reflect the recommended new building plans, and (3) a bond issue for new construction. Every opportunity will be taken to keep the voters informed of progress in these areas prior to the meetings.

Respectfully submitted,

KEARSARGE REGIONAL SCHOOL BOARD
